TERMINAL DISCLAIMER IN APPLICATION

Applicants named in the above-identified application and the owner of the entire interest in that application hereby disclaims, except as provided below, the terminal part of the statutory term of any patent granted on the present application, which may extend beyond the expiration date of the full statutory term defined in 35 U.S.C. 154 to 156 and 173, as presently shortened by any terminal disclaimer, of the U.S. Patent Application No. 10/095,677 filed March 12, 2002. Applicants hereby agree that any patent so granted on the present application shall be enforceable only for and during such period that any patent granted U.S. Patent Application No. 10/095,677 is commonly owned. This agreement runs with any patent granted on the present application and is binding upon the grantee of such patent, and its successors or assigns.

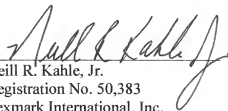

In making the above disclaimer, Applicants do not disclaim the terminal part of any patent granted on the present application that would extend to the expiration date of the full statutory term as defined in 35 U.S.C. 154 to 156 and 173 of any patent granted U.S. Patent Application No. 10/095,677 as shortened by any terminal disclaimer filed prior to the patent grant, in the event that any patent granted on U.S. Patent Application No. 10/095,677 expires for failure to pay a maintenance fee, is held unenforceable, is found invalid by a court of competent jurisdiction, is statutorily disclaimed in whole or terminally disclaimed under 37 CFR 1.321, has all claims cancelled by a reexamination

certificate, is reissued, or is in any manner terminated prior to the expiration of its full statutory term as shortened by any terminal disclaimer filed prior to its grant.

Please charge the requisite fee required under 37 CFR § 1.20(d) for this terminal disclaimer, and any additional fees, or credit any overpayment, to Deposit Account No. 12-1213.

The undersigned is an attorney of record and is authorized to sign on behalf of the owner.

Respectfully submitted,

A handwritten signature in cursive script, reading "Neill R. Kahle, Jr.", written over a horizontal line.
